SUMMARY

Shopify/Shopify Plus developer. Formerly a technical writer in the food industry. Full-stack capabilities with an emphasis on front-end, Javascript, UI/UX, and e-commerce.

EXPERIENCE

Graf Lantz
Web Developer   04/2021 – PRESENT
Sole Web Developer for four Shopify Plus stores: graf-lantz.com, wholesale.graf-lantz.com, feltory.com, glob.land. Create and implement new website features, fix bugs, integrate third-party apps (such as Klaviyo, Yotpo, Nosto, etc.) for all brands. Manage all development projects with Asana. Use Script Editor to create Ruby discount scripts. Built Feltory store from scratch.

Smithfield Foods
Specification Writer   2017 - 2020
Wrote food quality and safety specifications. Redesigned front-end of company-wide specification website including search page, display page, and PDF conversion.

Quality Assurance Technician   2013 - 2017
Monitored food production quality and safety in a production environment.
